From the CCYC Office

- It is already February and our minds have turned to Art Auction here at CCYC. We have been discussing way to still provide our families with the benefits and ability to buy an art piece that their children had a hand in creating while providing the center with funds to make some capital improvements. We are trying a new smaller format this year, meaning that the classrooms are still going to be producing art projects that the children will create, but we will not have our full auction at the winery. We will offer a on-line only auction with those classroom pieces,

Teacher day off certificates, and you can purchase tickets for a chance to win a week's worth of care. Auction dates are from Wednesday March 22nd through March 25th, ending it at 7pm. We will also be providing a "parents night off" for you to bring your children to CCYC and our staff will provide care for you to spend some quality time away from your children for a "date night." The 'parents' night off' will be March 25th from 5:30pm through 9pm. We will serve supper and plan some fun activities for your child that night. You can plan to bring them in their pj's. We will be sending out a sign up for the parent's night out.

Next year our plan is to go back to the full Art Auction at Jasper Winery.

We welcomed Mr. JD into the Picasso Lead Teacher role. Mr. JD is a welcomed part of our center, make sure you stop in and greet him! Ms. Nicole has moved to full time in the office with the addition of Mr. JD.

Thank you all who joined your child's classroom teach for a conference. It is an important part of the care we provide here at CCYC, and your support is much appreciated.

As always, if you need something from either Ms. Amanda or Ms. Nicole, please don't hesitate to reach out.
