From the CCYC Office

Van Gogh Summer at CCYC!

Des Moines Public School's last day is June 2, 2023, and Downtown School's last day is June 20, 2023. Summer at CCYC starts on June 5, 2023.

Mystery requesting that you bring in sunscreen that is unexpired and SPF 50 or higher, spray style is preferred. Deet free bug spray and a face stick style of sunscreen are optional but recommended. Each child should also have a water bottle to leave here at the center for use during field trips.

Ms. Amanda sent home an email with all the listed summer field trips that are scheduled.

Please pay close attention to the times we are leaving for field trips and have your children here prior to the time we are leaving CCYC.

Preschool Summer at CCYC

All children in the preschool program will need to have sunscreen that is unexpired and SPF 50 or higher. Deet free bug spray and a face stick style of sunscreen are optional but recommended. The Mozart teachers are asking to have a water bottle for each child to be left at CCYC for field trips.

The preschool teachers have been busy scheduling field trips for their summer. These field trips will be listed in each classroom's

lesson plans. Please make sure that you are checking your children's extra clothes to make sure that they are weather appropriate.

Breakfast with Dad's June 16th: 6:30am-9:00am

Friday, June 16th will be our breakfast with Dad's. Just like Breakfast with Mom's there will be bagels, an offering of various toppings, coffee, apple juice and orange juice. Your children will have a small present that they have made for you that morning as well. This will be open for you to enjoy from 6:30am-9:00am!

As always, if you need something from either Ms. Nicole or I, please don't hesitate to reach out.
