## From the CCYC Office

- December seems to have flown by! Thank you to everyone who has donated to our Reverse Advent benefiting Families Forward Organization. We collected so many items and delivered just shy of Christmas. I love these opportunities to give back to those in need. If you have other ideas of what we can do as a center, please don't hesitate to reach out to us with your ideas.

We were able to hold our Lunch with Santa on Thursday December 14<sup>th</sup>. It was such a fun morning. We had a story read by Ms. Nicole for the children, a Christmas character craft, time in the gym, reindeer games,

and of course, time with Santa where each child got to tell him what they wanted for Christmas. We had one child who even brought a special card they made at home for Santa. It was adorable. We also invited parents to come to have lunch with us. It was wonderful being able to enjoy a Christmas meal with them. Santa was even able to join us for lunch, which was priceless. Some of the children who feared Santa started coming around and we got some amazing pictures. It is always so fun seeing the children see Santa in a more organic situation. A big thank you goes out to Ms. Nicole's husband John for volunteering his time to bring joy to the children!

As we look forward to the month of January, we are gearing up for our Parent Teacher Conferences for our preschool classrooms. It always provides a great opportunity for our parents and teachers to have a discussion away from the children about their development and answer any questions parents might have. Please be sure to watch for those sign-up forms in your child's classroom.

As always, if you need something from either Ms. Nicole or Ms. Amanda, please don't hesitate to reach out.
