From the CCYC Office

Van Gogh Summer at CCYC!

Des Moines Public School's last day was May 29, 2024, and Downtown School's last day is June 18, 2024. Summer at CCYC started May 30, 2024.

Ms. Melissa is requesting that you bring in sunscreen that is unexpired and SPF 50 or higher, spray style is preferred. Deet free bug spray and a face stick style of sunscreen are optional but recommended. Each child should also have a water bottle to leave here at the center for use during field trips.

Ms. Amanda sent home an email with all the finalized summer field trips that are scheduled. Please pay close attention to the times we are leaving for field trips and have your children here prior to the time we are leaving CCYC.

If your child arrives after the children have left for their field trip you will have the option of dropping your child off at the field trip location or bringing them back once the children return. We are unable to watch the children in the preschool classrooms.

Preschool Summer at CCYC

All children in the preschool program will need to have sunscreen that is unexpired and SPF 50 or higher. Deet free bug spray and a face stick style of sunscreen are optional but recommended. The Mozart teachers are asking to have a water bottle for each child to be left at CCYC for field trips. The preschool teachers have been busy scheduling field trips for their summer. These field trips will be listed on each classroom's

lesson plans. Please make sure that you are checking your children's extra clothes to make sure that they are weather appropriate.

Breakfast with My Child June 14th: 6:30am-9:00am

Friday, June 16th will be our breakfast with my Child! Just like Breakfast with Mom's there will be bagels, an offering of various toppings, coffee, apple juice and orange juice. Your children will have a small present that they have made for their dads or special person in their life that morning as well. This will be open for you to enjoy from 6:30am-9:00am! We are transitioning this event from Father's Day and Mother's Day to be more inclusive for all children, regardless of what adults are in their lives.
