Reverse Advent

Thank you to everyone who has donated to our Reverse Advent benefiting The Beacon. We collected so many items and delivered them to the main building before Christmas. The director of The Beacon was blown away by the generosity of our families. We couldn't agree more! I love these opportunities to give back to those in need. If you have other ideas of what we can do as a center, please don't hesitate to reach out to us with your ideas.

Lunch with Santa

We were able to hold our Lunch with Santa on Wednesday December 18th. It was such a fun morning.

We had story time with Ms. Nicole for the children, a gingerbread house craft, time in the gym, reindeer games, and of course, time with Santa where each child got to tell him what they wanted for Christmas. It was adorable. We also invited parents to come to have lunch with us. It was wonderful being able to enjoy a Christmas meal with them. A big thank you to DMPS for the yummy lunch! Santa was even able to join us for lunch, which was priceless. Some of the children who feared Santa started coming around and we got some amazing pictures. It is always so fun seeing the children see Santa in a more organic situation.

A big thank you to Ms. Nicole's husband John

for volunteering his time again this year to bring joy to the children!

Parent Teacher Conferences!

As we look forward to the month of January, we are gearing up for our Parent Teacher Conferences for our preschool classrooms. It always provides a great opportunity for our parents and teachers to have a discussion away from the children about their development and answer any questions parents might have. Please be sure to keep an eye out for those sign-up forms in your child's classroom.

As always, if you need something from either Ms. Nicole or Ms. Amanda, please don't hesitate to reach out.
