From the CCYC Office

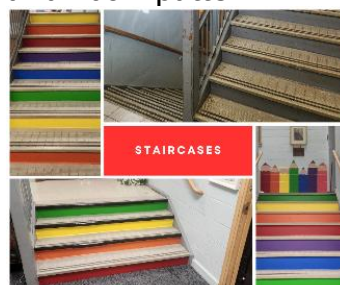

Celebration of the Arts Night

The artwork the children have been working so hard on for the last year will be on display Friday April 11th from 5:00pm-6:00pm. You will be able to see the children's artwork in our gym, have some lemonade, and yummy cookies. Ms. Amanda and Ms. Nicole always make dairy, and gluten free options of cookies as well! Make sure to invite grandparents, aunts and uncles. The children all work hard on their works of art and it is an amazing opportunity for each of them to be celebrated! All Lead teachers will be available to explain the pieces and answer any questions you might have! Can't wait to see you all there!

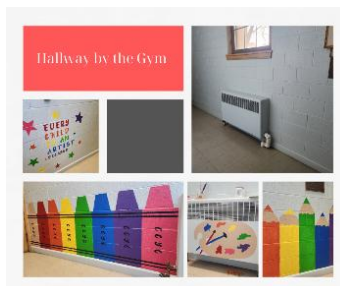

Changes that have been happening around CCYC!

We have been making a lot of improvements to our center in the last couple of months!

Some you can see and some that are coming down the line! Ms. Nicole has been working hard to get quotes for new doors to be replaced. We have accepted a bid for new window shades for the preschool classrooms and are anxiously waiting for those to be installed by the end of April! Ms. Amanda and Ms. Nicole have also been busy painting around the center. They have painted all the stair risers in a rainbow pattern.

This has done SO much to brighten the center. They painted an art supplies mural by the gym entrance upstairs.

Ms. Amanda painted a wall-length rainbow downstairs by the Van Gogh and Creative Movement classrooms.

Ms. Nicole has been busy painting the last mural just inside the playground door. The children all got to participate in this mural and were so excited to be watching the progress. It has been the topic of discussion for sure!

As always, if you need anything from Ms. Amanda or Ms. Nicole, don't hesitate to reach out to them via email, ProCare message, or by calling the center. Thank you for all your support!
