## From the CCYC Office

### Breakfast with Your Child!

All Mom's, or a female role model, is invited to join us between 6:30am-9:00am on Friday May 9, 2025, for bagels and coffee with your children. You will also get a little Mother's Day gift this day that was created by your children. We are excited to be able to bring this event back!

### Parent Teacher Conferences

The first three weeks in May are our spring parent teacher conferences. This is a great way for you to see how your child is developing, see some great pictures of all the activities we do here at CCYC, and to use this time as an opportunity to ask any questions you may have.

- May 5<sup>th</sup>-9<sup>th</sup>: Picasso's Parent Teacher Conferences
- May 12<sup>th</sup>-16<sup>th</sup>: Bach's Parent Teacher Conferences
- May 19<sup>th</sup>-23<sup>rd</sup>: Mozart's Parent Teacher Conferences

### Teacher Appreciation Week at CCYC!

The week of May 19<sup>th</sup> through May 23<sup>rd</sup> here at CCYC is Teacher Appreciation Week! You will be receiving emails from a group of parent volunteers that are organizing the events for this week. Our teachers are hardworking, caring, amazing individuals! Be on the lookout for these emails and if you would like to help in any way, please let Ms. Amanda or Ms. Nicole know!

### Warmer Weather Ahead!

We are in the weird part of spring in Iowa where anything can happen with the weather. With the instability of the weather please be mindful of what your children are wearing to school. Keep an eye on the forecast and dress them appropriately. It is important to get outside as much as possible and we go outside in temperatures as low as 35 degrees. Layers are always a good idea this time of year. Remember that once we transition to sandal weather that all sandals worn should have a back on them.

### Sunscreen and Bug Spray

Our teachers have been collecting sunscreen and bug spray for the summer months. We apply and reapply sunscreen when we are outside. Our sunscreen should be SPF 50 or higher. This number is an HHS requirement, not our policy. Our playground is very shaded with our trees and our sunshade. Unless otherwise set up with parents, we will not apply sunscreen for our gross motor play outside.

As always, if you need anything from Ms. Amanda or Ms. Nicole, please feel free to reach out to us via email, phone call, or the ProCare app.
