## From the CCYC Office

### Van Gogh Summer at CCYC!

Des Moines Public School's last day is June 5, 2025, and Downtown School's last day is June 17, 2025. Summer at CCYC starts on June 6, 2025

Mr. Robby is very excited about his first summer as the lead Van Gogh teacher! He has requested that you bring sunscreen that is unexpired and SPF 50 or higher, spray style is preferred. Deet free bug spray and a face stick style of sunscreen are optional but recommended. Each child should also have a water bottle and hat to leave here at the center for use during field trips.

Ms. Amanda sent home an email with all the finalized summer field trips that are scheduled. Please pay close attention to the times we are leaving for field trips and have your children here prior to the time we are leaving CCYC. If your child arrives after the bus has left for the field trip you will have the option of dropping your child off at the field trip location or bringing them back once the

children return. We are unable to watch the children in preschool classrooms.

### Preschool Summer at CCYC

All children in the preschool program will need to have sunscreen that is unexpired and SPF 50 or higher. Deet free bug spray and a face stick style of sunscreen are optional but recommended. The Mozart teachers are asking to have a water bottle for each child to be left at CCYC for field trips. The preschool teachers have been busy scheduling field trips for their summer. These field trips will be listed in each classroom's lesson plans. Please make sure that you are checking your children's extra clothes to make sure that they are weather appropriate.

### Breakfast with My Child June 13<sup>th</sup>: 6:30am-9:00am

Friday, June 13th will be our breakfast with my child! Just like the breakfast in May there will be bagels, an offering of various toppings, coffee, apple juice and orange juice. Your children will have a small

present that they have made for their dads or special person in their lives that morning as well. This will be open for you to enjoy from 6:30am-9:00am! We are making the move for Father's Day and Mother's Day to be more inclusive for all children, regardless of what adults are in their lives.

### PBIS Training here at CCYC!

Ms. Amanda is leading a training course for our staff in Positive Behavior Interventions and Support for Early Childhood Education. This program is an evidence based, tiered framework for supporting students' behavioral, academic, social emotional and mental health. At the end of the 6 weeks all our staff will be certified in the first half of PBIS and that is such an amazing accomplishment! Make sure to tell the teachers you are proud of their commitment to continuing education for the betterment of our program!

As always, if there is anything we can help you with please contact Ms. Amanda or Ms. Nicole by calling the center, emailing, or reaching out in our ProCare app!
