From the CCYC Office

- December seems to have flown by! Thank you to everyone who donated to our Reverse Advent benefiting the Willkie House. We were able to deliver 3 big boxes of items to them. We love these opportunities to give back to those in need. If you have other ideas of what we can do as a center, please don't hesitate to reach out to us with your ideas.

We were able to hold our Lunch with Santa on Friday December 19th. It was such a fun morning. We had a story time for the children read by Ms. Nicole, a snowman craft, time in the gym, reindeer games,

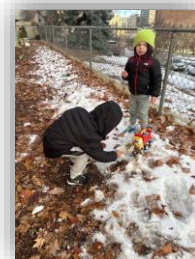

and of course, time with Santa where each child got to tell him what they wanted for Christmas. It was so fun to see some of our children's interactions with Santa! The children's reactions ranged from pure joy to cautious happiness when they walked up to Santa. Thank you to all the parents that were able to come to have lunch with us. It was wonderful being able to enjoy a Christmas meal with you all. Santa was even able to join us for lunch, which was priceless. Some of the children who feared Santa started coming around

and enjoyed him by the time the event was over.

As we look forward to the month of January, we are gearing up for our Parent Teacher Conferences for our preschool classrooms. It always provides a great opportunity for our parents and teachers to have a discussion away from the children about their development and answer any questions parents might have. Please be sure to watch out for those sign-up forms in your child's classroom.

As always, if you need something from either Ms. Amanda or Ms. Nicole, please don't hesitate to reach out to us.
