

CCYC Bug Spray Authorization

Child's Name: _____

Name of Bug Spray: _____

Expiration Date of Bug Spray: _____

Time to be given: Before outside play when needed.

All bug spray must be in original packaging, complete with intact label, and labeled with the child's first and last name. This authorization is valid until the bug spray's expiration date, or the product is used to its entirety. Application of the bug spray will be recorded in the ProCare app daily. If there is no need for bug spray, or weather prevents us from being outside, that will be recorded in the app as well.

I authorize Creative Center for Young Children staff to administer this bug spray to my child.
